## **Premonition MSP Sauvignon Blanc 2006**

From grapes grown in Sonoma County, California This wine was cold fermented and received no oak aging. This allows the true flavors of the Sauvignon Grape to emerge. There are aromas of citrus and ripe melon. The flavors show the crisp finish of tart apple and lemon-lime zest.

Alcohol 13.8%; pH: 3.24; Total acidity .560g/100ml

Produced by J. Predoncelli Winery and Vineyards and winemaker John Pedroncelli Jr.

## **Premonition MSP Merlot 2003**

From vineyards in Sonoma County, California, This wine was aged 12 months in small American oak barrels. The winemaking style and soils of this area create a merlot with intensity and flavor. Deep purple-garnet in color, it is lush and full bodied, with aromas of spice and black cherry. The subtle toasty oak complements the fruitiness in the mouth.

Alcohol 13.7%, pH: 3.45, Total acidity .650g/100ml

Produced by J. Predoncelli Winery and Vineyards and winemaker John Pedroncelli Jr.

## **Premonition MSP Chardonnay 2005**
